Tax Time Again!

Tax Day is Tuesday, April 15, 2025

You must submit your 2024 tax forms electronically or have them post-marked by Monday, April 15, 2025. But even if you wait until the last moment to file your taxes, there are three things you can do right now to lessen the stress.

1. Get a set of folders or large envelopes and label them for your various tax documents. As you receive tax information from your employer, the Credit Union and any other financial institutions, any investments you hold and so on, place them in the appropriate folder.
2. Make a folder for possible tax deductions as well. Go through your year's receipts and pull out those related to real estate taxes, charitable donations, medical expenses, etc., and place them in the folder. Dig out your 2023 return to help you remember what you claimed previously.
3. If you are eligible, contribute to your Individual Retirement Account. You have until tax day to do so, but the sooner the better. Because the interest is accumulating tax free, you will want to maximize the time you have your money tucked away for retirement. For complete details, contact your tax advisor.

Don't Miss the
DEADLINE!

2024 IRA Contribution Deadline is Almost Here

Don't forget that April 15, 2025 is the last day for opening an IRA or contributing to your IRA for tax year 2024. This applies to both traditional IRAs and Roth IRAs. If you have any questions about opening an IRA or funding your IRA, call the credit union and we will be happy to assist you.
