

Protecting Credit Union Deposits Since 1974

- American Share is a member-owned, private share insurer founded in 1974 and is owned by its insured credit unions. Currently, the corporation insures the accounts of over 1.3 million credit union members.
- No credit union member has ever lost money in any American Share-insured credit union account in its history.
- The majority of ASI's assets are held in cash and US government-guaranteed bonds and US Treasury securities.
- Annually, a "big four" accounting firm audits the company's financial statements, and an independent actuary attests to the sufficiency of the ASI's loss reserves.
- ASI's only business is to provide deposit insurance to credit unions, and they are selective about the credit unions they insure. Not all credit unions that apply for coverage are accepted due to their strict underwriting standards.
- ASI is licensed by the Ohio Department of Insurance and dual-regulated by the Ohio Departments of Insurance and Commerce.
- ASI has always been and continues to be in good standing with the various insurance departments and regulators in all of its states of operation.
- Because of their unique structure as a mutual share guaranty corporation (as opposed to a traditional insurance company), American Share is not assigned an insurance industry rating by A.M. Best. However, financial data and other information are supplied to rating services for their review and analysis.

American Share insures each and every account of an individual member up to \$250,000, without limits as to the number of accounts held. If you have 20 separate accounts with your credit union, up to \$5,000,000 of your deposits are covered!

Account Type	Amount Insured
Checking/Share Draft	Up to \$250,000
Savings/Shares	Up to \$250,000
Money Market	Up to \$250,000
IRA	Up to \$250,000
CD/Share Certificate	Up to \$250,000
Holiday Savings	Up to \$250,000

"Welcome to the Family"

A Holiday Loan Can Save Your Christmas

High prices for food and energy threatening to be the Grinch who steals your Christmas? Thinking of just using your credit cards in order to spare your family the disappointment of empty stockings? Think again. Our special holiday loan can help you enjoy the holidays without facing hefty credit card bills in January.

A holiday loan lets you leave your credit cards at home. And that can save you money. Studies show that people spend more when they use their credit card to pay for purchases - whether they can afford to or not. But with a holiday loan, you can pay cash. Because you only spend the amount you borrow, you're much more likely to stick to your budget. So make your list - check it twice. Then apply for a holiday loan from Postal Family Credit Union.
