MARCH 26TH

96TH ANNUAL MEETING

The 2024 Annual Meeting is just around the corner, and we hope you can join us. Unlike other financial institutions whose meetings are restricted to a few shareholders, your credit union is a financial cooperative with annual meetings open to its valued member-owners: You! Give us your feedback and let us know how well the credit union is serving your financial needs. Enjoy refreshments and snacks and the chance to visit with other members too. The credit union exists only to serve you and your support is appreciated.

The meeting will be held on Tuesday, March 26, 2024 at the main office at 1243 W. 8th Street in the lower level. The meeting will begin at 5:15 p.m. We look forward to seeing you at the annual meeting.

Only one nomination was received for each of the open Board of Directors positions. As a result, no election will be necessary and the two individuals will be elected by general consent or acclamation for a three year term.

The elected directors are: Lauren DiTullio and Charles Willis.

Protecting Credit Union Deposits Since 1974

- American Share is a member-owned, private share insurer founded in 1974 and is owned by its insured credit unions. Currently, the corporation insures the accounts of over 1.3 million credit union members.
- No credit union member has ever lost money in any American Share-insured credit union account in its history.
- The majority of ASI's assets are held in cash and US government-guaranteed bonds and US Treasury securities.
- Annually, a "big four" accounting firm audits the company's financial statements, and an independent actuary attests to the sufficiency of the ASI's loss reserves.
- ASI's only business is to provide deposit insurance to credit unions, and they are selective about the credit unions they insure. Not all credit unions that apply for coverage are accepted due to their strict underwriting standards.
- ASI is licensed by the Ohio Department of Insurance and dual-regulated by the Ohio Departments of Insurance and Commerce.
- ASI has always been and continues to be in good standing with the various insurance departments and regulators in all of its states of operation.
- Because of their unique structure as a mutual share guaranty corporation (as opposed to a traditional insurance company), American Share is not assigned an insurance industry rating by A.M. Best. However, financial data and other information are supplied to rating services for their review and analysis.

American Share insures each and every account of an individual member up to \$250,000, without limits as to the number of accounts held. If you have 20 separate accounts with your credit union, up to \$5,000,000 of your deposits are covered!

<i>Account Type</i>	<i>Amount Insured</i>
Checking/Share Draft	Up to \$250,000
Savings/Shares	Up to \$250,000
Money Market	Up to \$250,000
IRA	Up to \$250,000
CD/Share Certificate	Up to \$250,000
Holiday Savings	Up to \$250,000

If you have questions about the coverage provided by American Share, ask your credit union or contact us at 800.521.6342.

Tax Time Again! Tax Day is Monday, April 15, 2024

You must submit your 2023 tax forms electronically or have them post-marked by Monday, April 15, 2024. But even if you wait until the last moment to file your taxes, there are three things you can do right now to lessen the stress.

1. Get a set of folders or large envelopes and label them for your various tax documents. As you receive tax information from your employer, the Credit Union and any other financial institutions, any investments you hold and so on, place them in the appropriate folder.
2. Make a folder for possible tax deductions as well. Go through your year's receipts and pull out those related to real estate taxes, charitable donations, medical expenses, etc., and place them in the folder. Dig out

your 2022 return to help you remember what you claimed previously.

3. If you are eligible, contribute to your Individual Retirement Account. You have until tax day to do so, but the sooner the better. Because the interest is accumulating tax free, you will want to maximize the time you have your money tucked away for retirement. For complete details, contact your tax advisor.

Insurance is Important!

Postal Family Credit Union's Trusted Insurance Partner is TruStage Insurance Agency.
