

FINANCIAL HEALTH CHECKUP

When was the last time you had yours?

Is a high interest credit card payment smothering you? Worried about your credit score? Can't seem to save any money?

The Credit Union is currently conducting Financial Health Checkups. We will have you complete a small form (just like when you go to the doctor). Tell us about your finances, your lifestyle, and what your financial goals are. Once you have completed the checkup form and return it to the Credit Union, we will assess your financial condition and make a plan to help you reach your goals.

Every member who completes the Financial Health Checkup will be entered into a drawing for a grand prize! For more information and complete details on the Financial Health Checkup, please contact Patrick Voegele today.

Let Your Home Work for You

Do you need some extra money to make home improvements? Or, maybe some extra money to help finance your child's education, buy a new car, or consolidate debt? A home equity loan from PFCU could be your answer.

A home equity loan lets you borrow against the equity in your home, and the interest you pay may be tax deductible. (Consult a tax advisor regarding the deductibility of interest.) With our low interest rates, a home equity loan is a good option: a fixed interest rate and monthly payments. Call or visit the Credit Union for more information. Remember, the equity in your home is a powerful financial tool.

It's Report Card Bonus Time!

If there's a student in your family who is a member of Postal Family Credit Union, (between Kindergarten age and 18) who has received a great report card from school, we have a special bonus in store for him or her.

We will reward our young members with a special bonus of \$1.00 for each "A" (up to a maximum of 10 subjects) he or she earns on his or her end of the year promotion report card. It's our way of letting your child know that we believe working hard in school is very important to his or her future success.

Here's how to get your child's Good Grades Bonus:

- The child must be the primary member of the account to qualify.
- Photocopy your child's end of year report card (the report card that indicates the student is being promoted to the next grade).
- As a parent or guardian, sign the copy as your guarantee that the copy is a true and valid duplicate of the original with no alterations.
- Write the child's member number on the report card copy.
- Mail or bring the copy to PFCU no later than August 27, 2010. Please do not send the child's original report card to the credit union.

If your youngster is not yet a primary member of the PFCU and you want them to participate in this incentive program this would be a good time to have them become a member. They will then be able to enjoy the many benefits of being a member of Postal Family Credit Union.

Serving more members with FHA

FHA may be the most appropriate choice for many of our members if they have experienced credit issues in the past. FHA has a slightly more liberal, traditional underwriting philosophy when compared to conventional automated underwriting. FHA offers excellent rates and terms as well as aggressive lending programs including Refinance Cash-Out Programs up to 95% of the value of your home!

FHA requires only a 3% down payment and allows back-end debt-to-income ratios of up to 50%. FHA lending focuses more on the last 12 months history of the prospective borrower versus simply the credit score. Credit scoring will still have an impact in the final underwriting and a minimum score of 580 is typically suggested.

Introducing FHA 203(k) Streamline Limited Repair Program

CU Mortgage Network is now offering the FHA 203(k) Streamline Limited Repair Program which allows a member to purchase or refinance a home and make limited upgrades/repairs to the property all under one single loan. There is no minimum amount for the repair costs however the maximum is \$35,000 including the 10% contingency. The borrower is given 3 months from the closing date to complete all the repair/rehab work. Eligible Improvements/Work is as follows:

Repair or Replacement of the Following:

- Roofs, Gutters and Downspouts
- HVAC Systems
- Plumbing and Electrical Systems
- Flooring

Minor remodeling, such as kitchens, which does not involve structural repairs painting, both exterior and interior purchase and installation of appliances and more!

Can You Spare Some Change?

The Cincinnati office of PFCU has again adopted a class at Oyler Elementary School for Christmas. We are now taking donations at our office. When you visit the office just watch for the jars that have "Can you spare some change" written on them. We are also selling all types of small teddy bears; profit will go into our Christmas Fund. We are hoping to again make this an extra special Christmas for the children.

Last year we had great participation from our members. We hope we can expect the same this year, without your help we could not make it happen. Watch future newsletters for additional details.
