## Invite Your Family To Join Ours

The holidays are just around the corner. Here's a gift that can last a lifetime: membership in the Postal Family Credit Union. Because you belong to the credit union, your family members also are eligible to join. They, too, can enjoy all of the benefits of belonging: lower rates on loans, competitive rates on savings, convenient access to their accounts, and best of all, being treated like a person, not a number.

In satisfaction survey after survey, consumers consistently rate credit unions higher than other financial institutions. With a gift of credit union membership, one size really does fit all and no worries about the long line at the return and exchange counter. Membership in PFCU makes an ideal baby shower or christening gift as well. What better way to show your love and affection than starting a little one out on the road to financial security?

For more information about how your family members can join PFCU, stop by or give us a call.

## A Holiday Loan Can Save Your Christmas

High prices for food and energy threatening to be the Grinch who steals your Christmas? Thinking of just using your credit cards in order to spare your family the disappointment of empty stockings? Think again. Our special holiday loan can help you enjoy the holidays without facing hefty credit card bills in January.

A holiday loan lets you leave your credit cards at home. And that can save you money. Studies show that people spend more when they use their credit card to pay for purchases - whether they can afford to or not. But with a holiday loan, you can pay cash. Because you only spend the amount you borrow, you're much more likely to stick to your budget. So make your list - check it twice. Then apply for a holiday loan from Postal Family Credit Union.
