The meeting will be held on Thursday, February 23, 2012, at the main office at 1243 W. 8th Street in the lower level. The meeting will begin at 5:15 PM. We look forward to seeing you at the annual meeting.

Scholarship Program

PFCU has given \$21,000 in scholarships to members wanting to further their education. PFCU is offering two \$1,000 scholarships to members of the credit union and you could be the member to win.

There are three ways to apply:

- Stop in the credit union office and pick up an application.
- Call the credit union at 513-381-8600 and have an application sent to your home.
- Log on to www.URmyCU.com/scholarship for the scholarship promotion and download your application.

An applicant will be required to take two educational courses "Money Smart Teens" and "Personal Finance for College Students" and pass with at least 9 out of 10 questions answered correctly. You will find the courses on www.URmyCU.org - click under "Financial Education" and then click on the "Money Ed" link. You may take the courses and test multiple times until you pass.

After taking the courses you will be required to complete the application and write a 500-750 word essay on if you thought the educational courses were informative, what financial tips you picked up and any suggestions for other classes or improvement on the current courses. Your essay will help PFCU become more informed on what our younger members are looking for and what we can do to help them.

Your courses must be completed by February 28, 2012. Your application must be postmarked no later than, Thursday, March 8, 2012 for consideration. All applications submitted in person must be received by the date above.

If you have questions about the 2012 Scholarship Program, please contact us at (513) 381-8600.

Home Mortgage Loans at PFCU

Home prices are more negotiable than ever and interest rates are still very low. That's valuable news to house hunters. Purchasing your dream home is easier when you stop by PFCU first. We'll help you determine what size home loan you can qualify for, explain the mortgage process, and even get you approved for your new home.

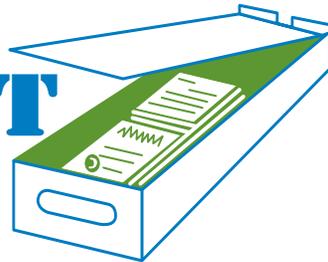

If you are in the process of finding a home, check out the Multiple Listing Service (MLS) at www.realtor.com for your desired locations online. Also, search on a "For Sale by Owner" (FSBO) site, such as, www.forsalebyowner.com for even more listings. These websites will let you know what's available and also what home prices are in certain areas.

Tax Time Again

Tax Day: Tuesday, April 17, 2012

Good news for procrastinators! Because of the weekend and the observance of Emancipation Day, there are two extra days to file taxes in 2012. You must submit your 2011 tax forms electronically or have them postmarked by Tuesday, April 17, 2012. But even if you wait until the last moment to file your taxes, there are three things you can do right now to lessen the stress.

1. Get a set of folders or large envelopes and label them for your various tax documents. As you receive tax information from your employer, the Credit Union and any other financial institutions, any investments you hold and so on, place them in the appropriate folder.
2. Make a folder for possible tax deductions as well. Go through your year's receipts and pull out those related to real estate taxes, charitable donations, medical expenses, etc., and place them in the folder. Dig out your 2010 return to help you remember what you claimed previously.
3. If you are eligible, contribute to your Individual Retirement Account. You have until tax day to do so, but the sooner the better. Because the interest is accumulating tax free, you will want to maximize the time you have your money tucked away for retirement. For complete details, contact your tax advisor.
