

It's Report Card Bonus Time!

If there's a student in your family who is a member of Postal Family Credit Union, (between Kindergarten age and 18) who has received a great report card from school, we have a special bonus in store for him or her.

We will reward our young members with a special bonus of \$1.00 for each "A" (up to a maximum of 10 subjects) he or she earns on his or her end of the year report card. This is our way of letting your child know that we believe working hard in school is a very important part in his or her future success.

Here's how to get your child's Good Grades Bonus:

- The child must be the primary member of the account to qualify.
- Photocopy your child's end of year report card (the report card that indicates the student is being promoted to the next grade).
- As a parent or guardian, sign the copy as your guarantee that the copy is a true and valid duplicate of the original with no alterations.
- Write the child's member number on the report card copy.
- Mail or bring the copy to PFCU no later than August 16, 2019. Please do not send the child's original report card to the credit union.

If your youngster is not yet a primary member of the PFCU and you want them to participate in this incentive program this would be a good time to have them become a member. They will then be able to enjoy the many benefits of being a member of Postal Family Credit Union.

Tax Time Extension, Tax Day is Wednesday, July 15, 2020

The Treasury Department and Internal Revenue Service announced that the federal income tax filing due date is automatically extended from April 15, 2020, to July 15, 2020.

Taxpayers can also defer federal income tax payments due on April 15, 2020, to July 15, 2020, without penalties and interest, regardless of the amount owed. This deferment applies to all taxpayers, including individuals, trusts and estates, corporations and other non-corporate tax filers as well as those who pay self-employment tax.

Taxpayers do not need to file any additional forms or call the IRS to qualify for this automatic federal tax filing and payment relief.

You must submit your 2019 tax forms electronically or have them postmarked by Wednesday, July 15, 2020. But even if you wait until the last moment to file your taxes, there are three things you can do right now to lessen the stress.

1. Get a set of folders or large envelopes and label them for your various tax documents. As you receive tax information from your employer, the Credit Union and any other financial institutions, any investments you hold and so on, place them in the appropriate folder.
2. Make a folder for possible tax deductions as well. Go through your year's receipts and pull out those related to real estate taxes, charitable donations, medical expenses, etc., and place them in the folder. Dig out your 2018 return to help you remember what you claimed previously.
3. If you are eligible, contribute to your Individual Retirement Account. You have until tax day to do so, but the sooner the better. Because the interest is accumulating tax free, you will want to maximize the time you have your money tucked away for retirement. For complete details, contact your tax advisor.

Economic Impact Payments

The IRS is committed to helping you get your Economic Impact Payment as soon as possible. The payments, also referred to by some as stimulus payments, are automatic for most taxpayers. No further action is needed by taxpayers who filed tax returns in 2018 and 2019 and most seniors and retirees.
