Can You Spare Some Change?

The Cincinnati office of PFCU has again adopted classes at Oyler Elementary School for Christmas. We are now taking donations at our office. When you visit the office, just watch for the jars that have "Can you spare some change" written on them. We are also selling all types of small teddy bears; profit will go into our Christmas Fund. We are hoping to again make this an extra special Christmas for the children. Last year we had great participation from our members. We hope we can expect the same this year, without your help we could not make it happen. Watch future newsletters for additional details.

All Family Members are Welcome

Do you know someone who could benefit from belonging to the credit union? Because you are a member of the credit union, members of your family are also eligible to join. Please pass the word about the credit union difference.

Let them know that belonging to the credit union is more cost effective than doing business with a bank. Share with them some of the benefits of belonging:

- Great products and services.
- Competitive Saving and Loan Rates
- We are a full service financial institution.

The more members who join the credit union, the stronger we become. So do yourself and your family and friends a favor and direct them to the credit union. They will thank you for it, and so will we!
