If you are struggling to pay credit card debt and not seeming to reduce the balances, our partners at Trinity can help.

One of the ways Trinity helps our members is by negotiating on your behalf to get lower rates on out of control credit card debt. This member’s interest actually went down from 24.5% to 6.8%!

“Thanks again for all your help; I’m very grateful that your organization exists! It is such a relief to know that I’m not going to have to pay those outrageous interest rates anymore. I felt very helpless for a while there, and it made me sick knowing how much money we were wasting. Now I feel like we can actually make some progress in getting out of debt, and STAYING that way since we’ll be able to build up a savings even while we’re paying down our bills.”

Attention First Time Home Buyers: Time Is Running Out To Get Your \$8000 Tax Credit!

CU Mortgage Network
By Dan Sagle

Now is the time to move fast if you are considering taking advantage of the first time home buyer tax credit offered by the IRS of up to **\$8000**. The deadline is **December 1, 2009**. That means you have to have closed on your new home **before** that date to qualify if you are a first time home buyer. The clock is ticking away at this great opportunity so it is very important to recognize the sooner you act the better you will be to still make the deadline. Sometimes home loans can take up to 45 days to process.

This provision, enacted as part of the American Recovery and Reinvestment Act of 2009, is a great benefit to purchasing your own home right now. There are qualifications like income limitations and other factors in which we can assist you in determining which loan program would fit your needs best. With very low interest rates, lots of great deals still on the market and incentives available, make sure you don't lose out!

While there is some talk and efforts to lobby the federal government about extending the tax credit program into 2010, nothing has yet been decided, **so it is essential to act now or risk not qualifying for this tax credit.**

Credit Union Mortgage Network will work with you to help answer your questions and may pre-qualify you for a home loan whether you are a first time home buyer, purchasing a 2nd home / investment property or refinancing to get a lower interest rate. Call 513-762-1692 and talk with one of our professionals today.

CU Mortgage Network works in partnership with your **Postal Family Credit Union** so applying is easy by calling us direct at (513) 762-1692 or apply online at www.cumortgagenetwork.com.

Note: CU Mortgage Network is not a tax professional. We recommend consulting with a tax professional if you have specific questions regarding completion and filing of form 5405 available at www.irs.gov.

When you visit the office just watch for the jars that has "Can you spare some change" written on them. We are also selling all types of small bears; profit will go into our Christmas Fund we are hoping to again make this an extra special Christmas for the children.

Last year we had great participation from our members we hope we can expect the same this year, without your help we could not make it happen. Watch future newsletters for additional details.

YOUR BILLING RIGHTS

KEEP THIS NOTICE FOR FUTURE USE.

This notice contains important information about your rights and our responsibilities under the Fair Credit Billing Act.

Notify Us in Case of Errors or Questions About Your Bill

If you think your bill is wrong or if you need more information about a transaction on your bill, write to us (on a separate sheet) at:

Postal Family Credit Union, Inc., PO Box 14403, Cincinnati OH 45250-0403

Write to us as soon as possible. We must hear from you no later than 60 days after we sent you the first bill on which the error or problem appeared. You can telephone us, but doing so will not preserve your rights.

In your letter, give us the following information:

- Your name and account number.
- Dollar amount of the suspected error.
- Describe the error and explain, if you can, why you believe there is an error. If you need more information, describe the item you are not sure about.

If you have authorized us to pay your credit card bill automatically from your share savings or share draft account, you can stop the payment on any amount that you think is wrong. To stop the payment, your letter must reach us three business days before the automatic payment is scheduled to occur.

Your Rights and Our Responsibilities After We Receive Your Written Notice

We must acknowledge your letter within 30 days, unless we have corrected the error by then. Within 90 days, we must either correct the error or explain why we believe the bill was correct.

After we receive your letter, we cannot try to collect any amount you question or report you as delinquent. We can continue to bill you for the amount you question, including finance charges, and we can apply any unpaid amount against your credit limit. You do not have to pay any questioned amount while we are investigating, but you are still obligated to pay the parts of your bill that are not in question.

If we find that we made a mistake on your bill, you will not have to pay any finance charges related to any questioned amount. If we did not make a mistake, you may have to pay finance charges, and you will have to make up any missed payments on the questioned amount. In either case, we will send you a statement of the amount you owe and the date it is due.

If you fail to pay the amount that we think you owe, we may report you as delinquent. However, if our explanation does not satisfy you and you write to us within 10 days telling us that you still refuse to pay, we must tell anyone we report you to that you have a question about your bill. And, we must tell you the name of anyone we reported you to. We must tell anyone we report you to that the matter has been settled between us when it finally is.

Special Rule for Credit Card Purchases

If you have a problem with the quality of property or services that you purchased with a credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the property or services. There are two limitations on this right:

- You must have made the purchase in your home state or, if not within your home state, within 100 miles of your current mailing address.
- The purchase price must have been more than \$50.

These limitations do not apply if we own or operate the merchant or if we mailed you the advertisement for the property or services.

Error Resolution Notice

In case of errors or questions about your electronic transfers, telephone us at 513-381-8600 or write us at: Postal Family Credit Union, Inc., PO Box 14403, Cincinnati OH 45250-0403

as soon as you can if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the first statement on which the problem or error appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require you to send us your complaint or question in writing within 10 business days.

We will tell you the results of our investigation within 10 business days (or 20 business days for foreign initiated transactions and all transfers resulting from point-of-sale debit card transactions) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (or 90 business days for foreign-initiated transactions and all transfers resulting from point-of-sale debit card transactions) to investigate your complaint or question. If we decide to do this, we will re-credit your account within 10 business days (or 20 business days for foreign-initiated transactions and all transfers resulting from point-of-sale debit card transactions) for the amount you think is an error so that you will have the use of money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days (or 20 business days for foreign-initiated transactions and all transfers resulting from point-of-sale debit card transactions), we may not re-credit your account.

If we decide that there is no error, we will send you a written explanation within three business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.
